

BLOCK ROCKER

Battery Powered Speaker System for iPod

Make your iPod the soundtrack to any party – no cords, no hassles.

BLOCK ROCKER is an all-in-one sound system for iPod, microphone, and other audio sources. You can rock out with BLOCK ROCKER for more than 12 hours on its internal, rechargeable battery or wall power. The large speaker and built-in amplifier ensure clean, clear audio for the whole party. Sturdy construction and portable design with wheels and a telescoping handle make BLOCK ROCKER able to go anywhere and everywhere with you. You can connect the included microphone, instruments, CD/MP3 players, and your iPod using the built-in dock.
